

**Remarks**

This Amendment is in response to the Office Action dated **August 2, 2006** and a July 17, 2007 telephone conversation between Examiner Paul Prebilio and Benjamin E. Carlsen. During the telephone conversation, Examiner Prebilio suggested an amendment to claims 51 and 57 and claims dependent therefrom that would place these claims in condition for allowance. The Examiner also stated that he believed that claims 34-36, 39-43, 47, and 49-50 were directed to different subject matter than claims 51-59 and should be withdrawn and prosecuted in a subsequent application. Applicant has amended claims 51 and 57 and claims dependent therefrom as suggested and canceled the remaining claims in order to secure the allowance of claims 51, 57 and claims dependent therefrom. The amendments are made without prejudice or disclaimer. Applicant reserves the right to prosecute any of the canceled subject matter in a future application. In light of the cancellation of claims 34-36, 39-43, 47, and 49-50 and 60-62 and the amendments to claims 51-59, this application is now in condition for allowance.

Respectfully submitted,

VIDAS, ARRETT & STEINKRAUS
